Dear Families,

March, 2017

We are so proud of our students! I have been amazed at the learning behavior that I have witnessed. Students are working hard on their writing, math and reading. I can go into any class at Dos Rios and see the majority of students participating and trying their best. Parents, you are the key and we can tell that Dos Rios students have great stamina and "grit"! Nice job! One question you might ask your student is, "Are you making your learning goal?" As you know, we have been focusing on where your students are and what their next steps are throughout the year and you have been part of that goal setting at Wolf Pup Rallies and Parent/Teacher conferences. We will have a Celebration of Learning for your student at the end of the year and we will be looking at those goal areas.

I also want to celebrate our staff! Everyone (cooks, custodians, Paras, classroom teachers, specials teachers, Sped teachers, office staff,) have to be flexible and creative to help your student be successful, and I can honestly say that we make it work because Dos Rios has such a strong team!

Also, March starts to bring thoughts of next year. As we begin to prepare for the upcoming year, please know that I do not take teacher requests. I do want to find the best learning environment for your child and so I encourage conversations about what environment your student will learn best in. We have a form available that you can fill out to let us know more specifics about your child's learning needs. We try very hard to create balanced classrooms so that your child has the best opportunities possible.

Enjoy these spring days by flying a kite, watching clouds, throwing the football or reading a good book on the lawn!

Sincerely,

Vernann Raney

Attention Parents

Just a few ideas on how to help your child strengthen their hands to help with writing:

- Pull apart yarn
- Play with jacks
- Let them clip coupons
- Stack pennies in a tower of ten
- Hold beads and string them
- Peel and stick stickers in straight line

Important Parents!

PARCC and CMAS testing starts right after we come back from Spring Break through the end of April. We ask that you not schedule appointments during this time and make sure your child is well rested and at school on time. We also ask that you not pull them early at the end of the day since we have testing sessions in the afternoon as well. Thank you for all you do to support your child!

Box Tops for Education

Thank you so much for all the Box Tops that have been turned in. We have earned \$503 for Dos Rios so far this year. Please keep clipping and sending in more Box Tops! For a list of participating products go to BTFE.com

If you would like to be part of Dos Rios and would like to help out in some way, please check out Dos Rios PTO. We meet on the 2nd Wednesday of every month. There are many ways to help out even if it's with one event or with many. We are always looking for help!

From the Health Assistant's Office

Students last year missed a significant amount of class time coming down to the health office for cough drops! This year we are continuing to work toward decreasing this time. In order to do this, we have supplied teachers with peppermints. Your students will be given a mint for mild coughs, sore throats and tummy aches. We would appreciate any mint donations you would like to supply.

Thank you for your support in this matter. Keeping our kids in the classroom as much as possible is our main goal.

Just a reminder that our lost and found is starting to grow and will disappear March 17th. Please take the time to look through the lost and found before this time and retrieve what is yours. Please label your child's clothes with their names so we can get things back to them easier.
