### Volunteers

\*It was suggested to make a booklet with something like coupons for volunteers to make it easier to volunteer and be aware of where and what is needed.

\*Or Staci White has volunteered to put up a bulletin board that is visible for parents that they can pick a job to do or donate something is needed. To put pockets on the bulletin board with slips of papers that parents can take of what they want to volunteer for or sign up to do for the teacher or donate as a reminder for them. (Staci will send out email to inform teachers when the bulletin board is up)

### Vision & Hearing Screening

There are a lot signed up to help with Vision & Hearing Screen. We will not send any away. We will find a place for all volunteers (Thinking is that maybe parents didn't read the form and think that they are signing up for their child to sign up for Vision & Hearing Screening. (It is suggested to have shorter form and put Volunteers at the top instead of Vision & Hearing Screening)

### Staff T-Shirts

PTO Unanimously voted to help buy t-shirts for the staff. Vernann talked about how the t-shirts are a valuable, visible safety feature.

PTO will pay \$500 towards the purchase of the T-Shirts.
