

Newsletter: October 2019

Dear Families,

October, 2019

The 2019-20 school year is off to a great start! Teachers are learning about their students, to better understand how they learn, their personal and academic strengths, interests and other information to support them. K-3 students are participating in the DIBELS reading assessments, and 2-5 grades are participating in the NWEA assessments. Students will also partake in reading conferences and math screeners to help teachers understand student needs. We look forward to sharing with you at the October Parent/Teacher Conferences on October 16-18.

Thank you for following our before, during and after school procedures to keep our students safe. As a reminder, you need to park your car and walk your students across the parking lot or park and pick up your students. Students are not allowed to cross through the parking lot or to get into or out of a car that is in the parking lot loop.

Our PTO is working hard to organize fundraisers and family activities for our Dos Rios Families. Please join us at our October meeting on October 28th at 4:15 in the library.

My door is always open, please feel free to email me at cinnamon.cain@d51schools.org, call 254-7910, or stop by the office and make an appointment.

I look forward to our partnerships to make your children successful. Together we can make a difference!

Sincerely,

Cinnamon Cain

From Dos Rios' RN,

Hello, and welcome back to school!

I want to take a moment to introduce myself. I am Elaine Buda, your school nurse. You should have had a chance to view the health information we have recorded for your student when you did the online registration. If you have any questions, changes, or concerns about that information, please email me at elaine.buda@d51schools.org. I will get back to you as soon as possible to get any issues resolved quickly. I am also available to help with other health issues or questions you might have about your child.

Tardies

Students will be marked tardy when the final bell rings at 9:00 AM. Students must report to the office before going to class. Five (5) unexcused tardies is equal to one (1) unexcused absence.

It is beneficial to your child's learning, if early pick-ups can be avoided. Please don't pull your child from class to "Beat the Rush".

Early unexcused pick-ups are the same as tardies and after (five) will be considered one (1) unexcused absences. Excessive tardies and early pickups will need to be addressed.
